### A LITTLE BIT ABOUT ME

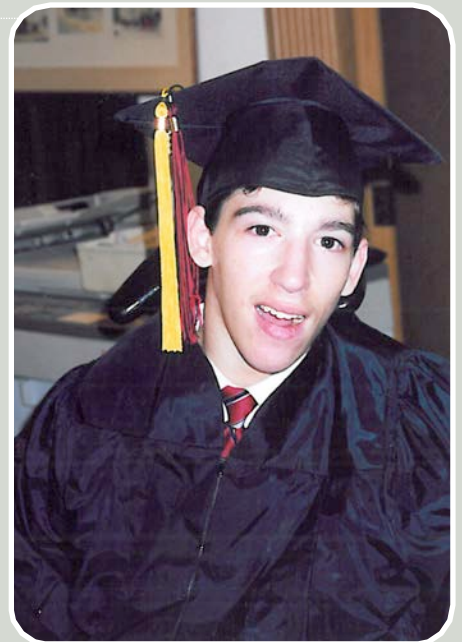

I was born as a surprise Louisiana baby on December 25th, 1979. I was a Christmas gift or at least I always thought so. My foster mother called me McFly because I was always flapping my arms.

### THE 411

I have 28 brothers and sometimes they get on my nerves but I love them. I like listening to country music and I like performers like Carrie Underwood and Reba McEntire. I'm not the type to get mad very easily because every situation has a positive outcome. I don't like when people stare and don't say anything. The one thing I am so not scared to do is let someone get to know me. I'm really good at letting people know how to talk to me.

### A FEW OF MY FAVS

I like to watch sports, go outside, and do computer games. I'm MOST interested in computers and girls! I love playing computer games because it relaxes me. I can't live without my computer! I like to hang out with my friends in my free time and we love to talk. The best thing that ever happened to me is getting my Tobii communication device.

**Graduation day!**
