BRIDGING COMMUNITIES THROUGH ALTERNATIVE COMMUNICATION

ME IN A FEW WORDS

I was born and raised here- close to Mountain View. I am funny and outgoing. I have 3 brothers and 1 sister- she's a twin named Kayla. I'm 19.

THE 411

I'm most interested in ladies and music- I love it. Hip hop is fabulous- I like Pit Bull, Jay-Z and Ludacris. I also like Regatone (spanish rock), and some rock music. I hate movies. TV is okay. I like the Bachelor/Bachelorette, Extreme Home Makeover, Kitchen Nightmares, Judge Judy, and Animal Cops.

A FEW OF MY FAVS

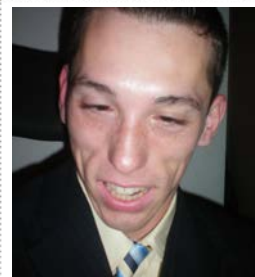

I love to hang with my friends, thinking on the ladies. I'm going to high school now but graduating soon. I like orange soda- I like the bubbles. My favorite place to hang out is anywhere the ladies are at. I collect bobble-heads, I have 5 and I like all of them. The best thing that ever happened to me was the prom, we danced for hours. I'm most likely to go on the internet on my facebook.
