REUBEN M.

Something people may not know about me... I was on an episode of 7th Heaven!

CONSIDERATE, GOOD-HUMORED, HUMANITARIAN

Bridging Communities Through Alternative Communication

My name is Reuben Mayes. My nicknames are -Trouble or Moon Man! I was born and raised in Sacramento/Humboldt, California. I have one brother and we enjoy playing music together. I have one sister and sometimes we talk on the phone. My family rocks because they cook me awesome food and take very good care of me. You can usually find me at home listening to audio books. This year I am going to begin attending College of the Redwoods. The best thing that ever happened to me is graduating from High School.

A BIT ABOUT ME...

I like to hang out with my friends in my free time. We go to 4H, play music and love going to see movies in 3D. If I could only wear one piece of clothing for the rest of my life, I would choose my 4H sweatshirt. I'm most interested in listening, learning about and playing music. I like to paint, ride my bike, and play my guitar. I'm most likely to

google/surf the net for music and art events happening in my hometown. I love bowling and playing bocce ball because I like competing against people for fun. I don't like when people say mean things, are violent, and crowd my space in public. I am so not into war, activities geared towards people younger than me and karaoke.

A FEW OF MY FAVS

My favorite movie is the Neil Young Heart of Gold DVD. My favorite TV show is GLEE. If you turned on my iPod or CD player, my playlist would include... Neil Young, The Beatles and Del Shannon. My favorite foods are pizza and ice cream. My favorite place to go is 4H because I get to ride horses in the forest. My postings on Facebook would most likely say "I feel excited about going to 4H on Saturday." I'm really good at riding and taking care of horses.

What people love most about me is that I'm funny and try my best at any challenge I'm faced with.
