# TYSON

**People may not know...**  
that I know  
and use Morse  
Code

## SURFER, HANG-GLIDER, ADVENTURIST....

**Bridging Communities Through Alternative Communication**

I am a true Californian man! I was born and raised in California. I have Cerebral Palsy. I use my Freedom Toughbook to communicate with people, surf the net, send emails, Skype, etc. I call my communication device my

window to my world. I like doing many different things to keep life

interesting and fun. I love to joke around with friends and family. I really enjoy reading interesting books to keep me thinking about things. I am open to different ideas. I am a thinker. I also enjoy working with my hands and telling people how to fix things or to put things together. I think this helps me grow. I am also a bit of dare. I've been hang gliding. I swim and surf in the summer with my uncle, and I go adapted skiing in the winter. I also love writing stories that I create in my mind. I am a self learner and I have taught myself many different things over the years. I think I am normal guy. I enjoy a good beer.

**Vegas buffet alllllll the way!**  
My favorite foods are pasta, steak, In-n-Out hamburgers, cheese-steak sandwiches, Mexican food, and Chinese food.
